
The Kricassee

1964

I wasn't to sure where to write, everything seems reversed. Kitty. There is so much to say. I've loved you ever since the seventh grade, And I guess I always will. But We Are both strong headed people. Maybe someday after we come down off our high horses, Maybe then. Anyway you are a wonderful person And if I don't see more of you I'll be real sad I hope we can still date some. Please don't ever change Kitty. I love you just the way you are, STUBORN!

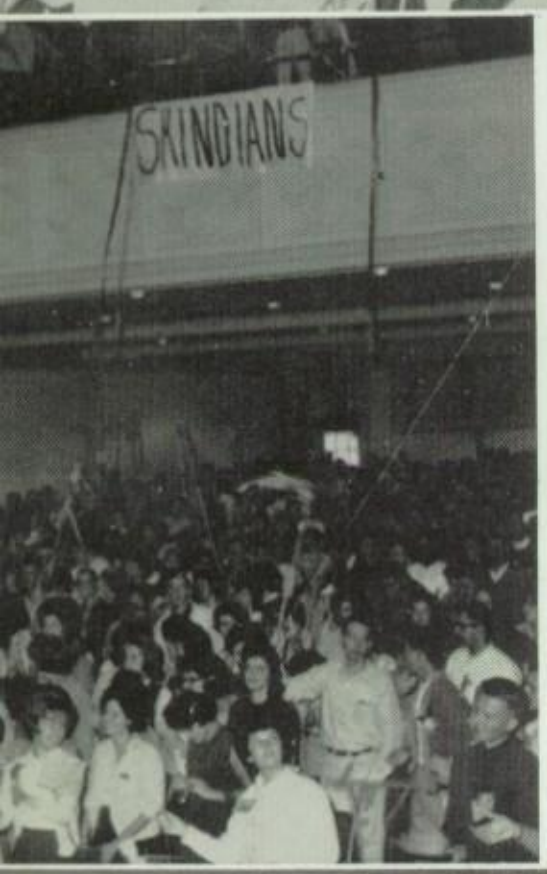
Dedication



Because YOU have made this year a
memorable one
We give you this record of your work and
fun,
And we dedicate this Fricassee of 1964
To every Senior, Junior, and Sophomore.

Fight Song

See those gallant Bulldogs

Each one brave and true;

Keep on fighting, Bulldogs,

We are all for you.

Rah! Rah! Rah!

Go on down that field, boys,

Break right through that line;

Keep on fighting, Bulldogs,

We'll win all the time

Alma Mater

For Baton Rouge High we raise our cry;

For the school we all adore

We will raise our standards high

Till known from shore to shore—

Then we'll fight, fight, fight

With all our might, till victory's in sight

Then we'll raise our banners high

For dear old Baton Rouge High.

FALL

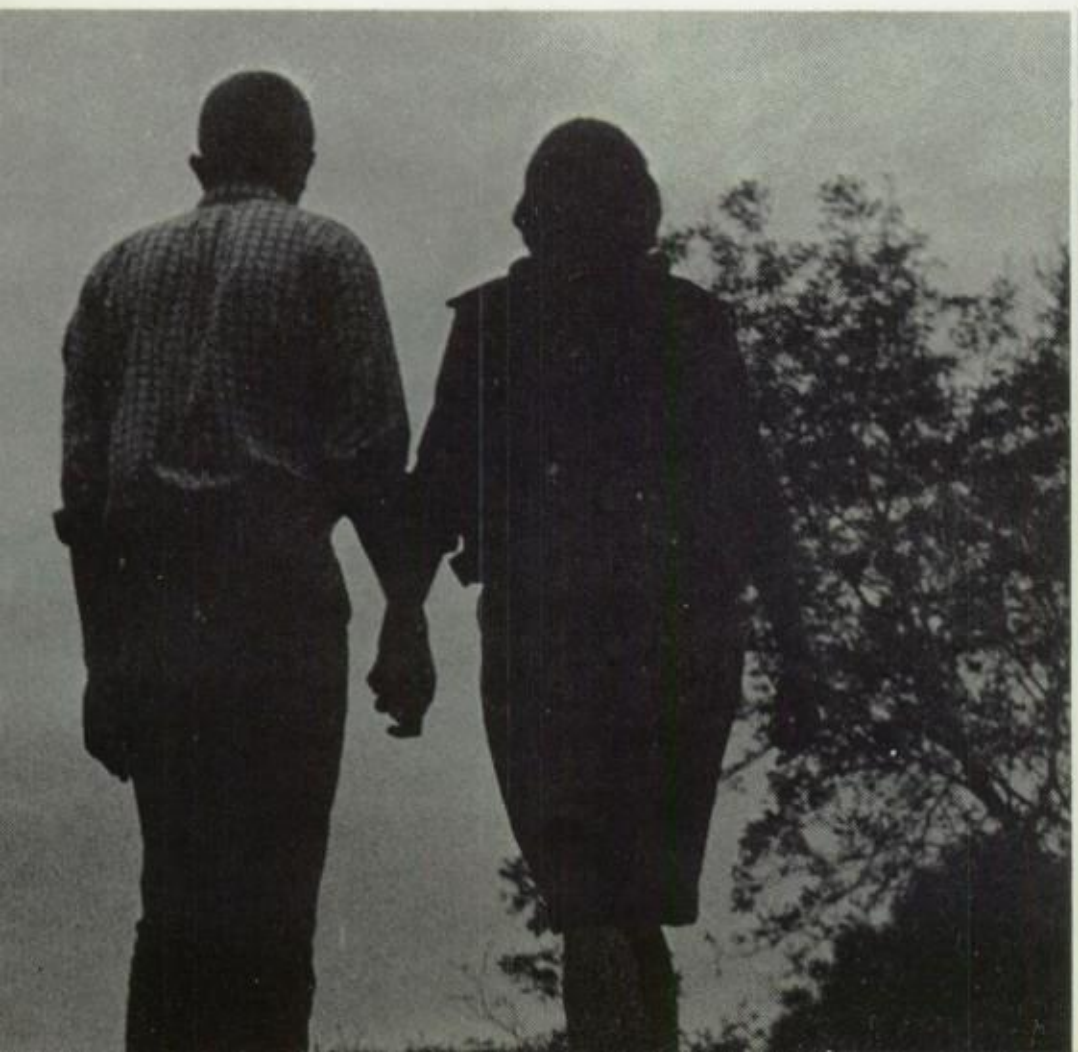
WINTER

Foreword

Whether it's Summer, Spring, Fall, or Winter Baton Rouge High School is a constant scene of spirit and activity. The events of the '63-'64 school year are included in the pages that follow. We, the members of the Fricassee Staff, hope that you, the students, enjoy this yearbook, and use it in years to come to relive the happenings of your high school days, which are the most rewarding and cherished days of your life.

We have enjoyed planning and making up your book and we do appreciate the cooperation of the administration, the faculty, and the students because without your help, we could not have done the work.

SPRING



SUMMER

As the days become shorter, we say goodbye to Summer and plunge into the rush of activities always found at Baton Rouge High. There are roaring pep meetings, frantic drill practices, jammed halls, new knowledge, piling on wagons filled with hay, and kicking your way home through fallen leaves.

FALL IS A WONDER!

Fall

Winter

Although there is still much excitement over football and basketball in the winter, the students seem to settle down and keep their minds on their studies. But no matter the season, the students of Baton Rouge High never lose the school spirit and stamina of which we are all so proud.

Spring

Spring is a season of happiness and love. All students seem to develop a new, glowing personality. Besides bringing with its sunshine, flowers and signs of nature, Spring brings the one thing every boy and girl waits for in their last year in high school—

GRADUATION

Summer

Summer is the season we all wait for. Even though there are school projects such as Pelican State, National Science Foundation, and Leadership going on through the months, it is a season of parties and vacations. There is one thing the whole school will remember through the summer—

Faculty

This year at Baton Rouge High School we have seen many changes. The faculty at Baton Rouge High have been responsible for the success of the new policies and for the success of the senior class. The teachers have held a firm, steady hand of direction and guidance for the class and school. The class of Nineteen Sixty-four wishes to thank the administration and faculty for the self-confidence and the preparation they have given to the students of Baton Rouge High School.

The following students were named by a Committee of the Faculty to make up the list of WHO'S WHO at Baton Rouge High School on the basis of LEADERSHIP, COURTESY, LOYALTY, SERVICE, AND SCHOLARSHIP. To be on this list is indeed a great honor and we take pleasure in presenting them to you in this special section of our yearbook. At the same time we would like to congratulate these students who have earned the high esteem of their teachers and who have contributed, each in his or her own way, to the welfare of BRHS, in order to make our school one of the best in these United States.

Each year the Baton Rouge High yearbook staff publishes the Fricassee. It is financed by student subscriptions and by selling ads. The Fricassee, sold only in November and December, cost $5.00. The staff works on the Fricassee throughout the year so that the books can be delivered in May.

We, the Fricassee Staff, enjoyed editing your yearbook, for your pleasure. We cannot say that the work is all business or all fun, but we can say that we enjoyed it thoroughly. As you see, the staff is composed of people you see in the halls every day. We hope you, the student body, enjoy your '64 yearbook because it was printed for your benefit.

With the coolness of autumn come the sounds of spirited pep-rallies, exciting games, boosters marching, lockers clanging, sharpeners grinding, happy, exuberant voices.

And outside the classroom we discover a changing wonderland of bright and sparkling colors. Red, gold, and brown leaves floating everywhere, piling silver clouds, skies sometimes blue and sometimes gray; sunsets of fire and lavender; golden harvest moons.

BATON ROUGE HIGH 12
JESUIT 0

A crowd of over 4,000 saw Baton Rouge's Bulldogs win their first game of the season and achieve their first victory over Jesuit since 1957. David Stokes, newcomer to the team, whose total offense was 69 yds., received backfield assistance from Fullback Hugh Shelton, who netted 87 yds. on 17 carries, and Spike Pierce, who claimed 52 yds. on 11 attempts. B.R.H.S. overall gain, compared to Jesuit's, was 208-140 with a 9-6 first down edge. In a frustrating second quarter, the Bulldogs scored with 12 seconds remaining in the quarter. The play climaxed a 65 yd. plow, begun by Glen Lorio's recovery on the B.R.H.S. 35. All in all, it was a fine Bulldog victory for the team and its fine coach, Ray Porta.

total of 386 yds. total offense to the Lions 80 yds., won their second victory of the season. After opening with an 86 yd. kick-off return, the Lions led 7-0, marking the only time they were to be in the lead. Six plays after Darrell McCardles' recovery of a Lafayette fumble in the first quarter, George Bevan scored, knotting the game at 7-7 after a PAT by Bill Nestler. The Bulldogs drove 78 yds. in the second quarter to score on Pierce's 18 yd. sprint. Later in this quarter, Roy Lively recovered a Lafayette fumble and a 39 yd. scoring pass from Stokes to Pierce marked the score 21-7, with Nestler adding the extra point. Lafayette scored twice in the second quarter but because of a blocked kick, the score remained 21-20. Baton Rouge took the second half kickoff and scored in four plays, driving 68 yds. with Stokes getting the score on a beautiful 54 yd. run. The kick was wide. The Bulldogs scored twice in the final quarter, Hugh Shelton scoring first on a one yard run and sub-quarterback Mike Glissen passing 24 yds. to Spike Pierce for the final score which was Baton Rouge High 40, Lafayette 20.

BATON ROUGE HIGH 19
BROADMOOR 7

For about eleven minutes out of the first quarter, the Broadmoor Buccaneers proved that a good offense is the best defense against a squad of speed demons like our Bulldogs. When we did get the ball, however, we made the most of it, giving us a 19-7 victory. Scoring all three touchdowns, Spike Pierce brought his record up to eight for the season.

Quarterback Stokes and Pierce teamed for the 54 yard pass play touchdown in the second quarter, Pierce plunging two yards for a score in the third to break a 7-7 deadlock. The tie breaking and clinching touchdowns came after Ricky Johnson, Bulldog center, recovered a Broadmoor fumble at the BRHS two and the Bulldogs were set up for their third and final touchdown. A 60 yard drive, helped by a 15 yard penalty against the Bucs and a 24 yard pass brought the ball up to the 12. George Bevan gained 6, Stokes picked up

two, Bevan another one and Pierce going over left tackle for the final T.D. Baton Rouge 19, Broadmoor 7.

BATON ROUGE HIGH 6
HOLY CROSS 30

Holy Cross's swift-striking land offense stunned Baton Rouge High with four first-half touchdowns, three within the first 17 minutes, as the power-packed Tigers dealt the Bulldogs a 30-6 defeat.

The Bulldogs were dealt their first defeat following three victories. Even though the Tigers made only one TD in the second half, the damage had been done.

Baton Rouge High put its six points on the score board with 6:50 left in the third quarter. David Stokes engineered a seven-play-55 yard drive, which he capped with a five yard rollout. Bill Nestler's conversion attempt was blocked.

Final score, Baton Rouge High 6, Holy Cross 30.

dium last night, a crowd of nearly 4000 watched the Bulldogs defeat the unbeaten Lumberjacks.

The Bulldogs, contrary to other games, preferred to stay on the ground, collecting 250 yards on rush plays, 73 and 61 yards on sustained drives, and a 69 yard pass-interception return by End Darryl McCardle. David Stokes sprinted 12 yards for the first TD and 9 yards for the third TD. Stokes' fourth TD toss was a completion to Joe Womack of 32 yards.

Pierce, Bevan, and Stokes collected 82, 51, and 40 yards respectively, leading the Bulldogs' ground assault which produced 14 first downs to the Jack's 11.

Final score was Baton Rouge 27 and Bogalousa 12.

BATON ROUGE HIGH 14
CATHOLIC HIGH 0

By scoring in the third and fourth quarters, the Bulldogs knocked out Catholic High's hopes for a District 3-AAA and city Triple-A upset here Friday night. The fifth win in six games didn't come easy for the Bulldogs. The Bruins came within 29

and 15 yards of the Baton Rouge High School goal and made the Bulldogs' lead look very insecure in the beginning of the second half. Bulldog halfback Spike Pierce, however, sprinted 23 yards and with the help of the official climaxed a 58 yard third period drive. He later intercepted a Catholic High pass late in the fourth quarter to set up the six-pointer for Hugh Shelton as the Bulldogs took the Bruins, 14-0.

BATON ROUGE HIGH 19
BOLTON 0

A game which was expected to be a toss up between both teams because of a rash of Canine injuries, resulted in a seventh Bulldog victory.

Spike Pierce, playing with a bandaged hand, intercepted three key passes. He also accounted for the Bulldogs' second six-point when he stepped one yard through left tackle to climax a 37 yard drive which required nine plays.

The first touchdown came when Stokes made a fake to Shelton, pulled the ball back and went 55 yards around left end just 52 seconds after the

LEE 0

Triple-A Baton Rouge High played to win its seventh victory in eight starts as it defeated the Lee Rebels in a 21-0 homecoming victory.

The Bulldogs scored twice in the second quarter. From the 29, Stokes and Hill advanced 19 yards in three cracks at the Reb mid-section. Stokes then faked to Shelton and kept around his right side, sprinting for the corner flag. Nestler converted for a lead of 7-0. Shelton completed the second TD with a kick from Nestler bringing the score to 14-0. Pierce set up the third Bulldog marker with a 22 yard return to the Rebel 10. From two-and-a-half yards out, Pierce went over by continuing to drive hard after being hit short of the goal line.

Final score was Baton Rouge 21 and Lee 0.

TERREBONNE 17

Baton Rouge High, which has been racing with the moon under its new coach, Ray Porta, suffered its first loss in district competition tonight as Terrebonne took a 17-0 win.

The Tigers scored twice in the scond quarter and added a field goal in the last quarter. It wasn't until late in the third quarter that the Bulldogs could get something going for them.

In the third quarter, the Bulldogs moved on a 64 yard drive going over into the fourth quarter. Stokes started the drive with a 12 yard pass to Floyd Giblin. Shelton and Pierce added 12 more yards in efforts. Picking up two more first downs, we were finally stopped at the Tiger 18.

Final score, Terrebonne 17, Baton Rouge High 0.

BATON ROUGE HIGH 20
ISTROUMA 6

A crowd of 18,500 watched the Baton Rouge High Bulldogs dethrone Istrouma's District 3-AAA championship hopes in Memorial Stadium. It was the Bulldogs' third victory in four district starts and eighth in ten games.

BRHS's seven-diamond and variation of a wide-tackle six defenses did the job and contained the Indian's running game Friday night, holding the Tribe to a net of 16 yards on the ground. Except for a few passing plays, the Bulldogs seemed to know where the Injuns were going before they got there.

Istrouma's only TD was concluded by a 12 yard pitch to Dousay 1:10 before the finish. BRHS's George Bevan, Roy Lively, and Spike Pierce, made interceptions, picking off three Istrouma aerials.

The Bulldog attack, spearheaded by Pierce, Shelton, and Stokes grinded for 178 yards.

The Bulldogs attempted seven passes including a 27 yarder to Stokes by Pierce, bringing BRHS its second TD. A 13-play drive of 55 yards brought BRHS's initial score.

Not only was the win Baton Rouge High's first since 1960 but it was the widest margin in the series since 1949. Baton Rouge High now goes

on as District champions in to the playoffs against the New Orleans Catholic league for state championship. Final score, BRHS—20, Istrouma—6.

BATON ROUGE HIGH 6
JESUIT 22

Jesuit's Blue Jays defeated the Baton Rouge High Bulldogs in a quarterfinal Triple-A playoff game attended by a few 3000 spectators on a rainsoaked night.

Baton Rouge High started out as if to make short work of their opponents, moving 63 yards in only seven plays for a score made by Fullback Hugh Shelton.

The Jays quickly retaliated, completing a 16 yard play putting Jesuit in the lead. The lead was maintained by the Jays the rest of the evening.

The final outcome sent the Jays on to another playoff but left the Bulldogs in the field, insofar as State Championship was concerned.

Final score was Baton Rouge 6 and Jesuit 22.

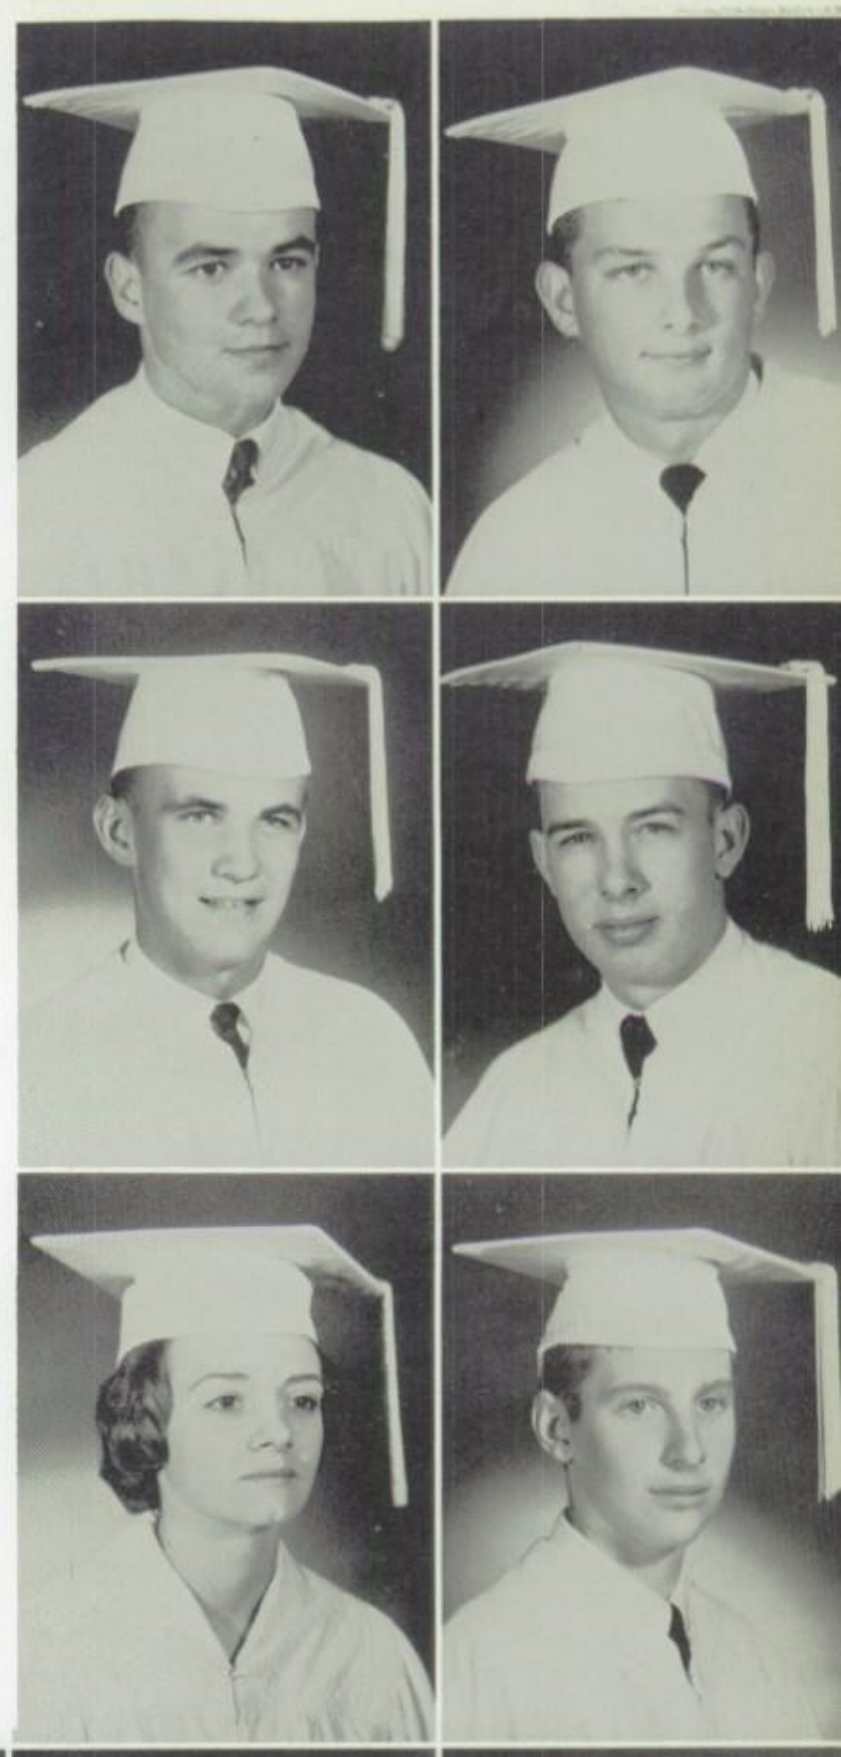
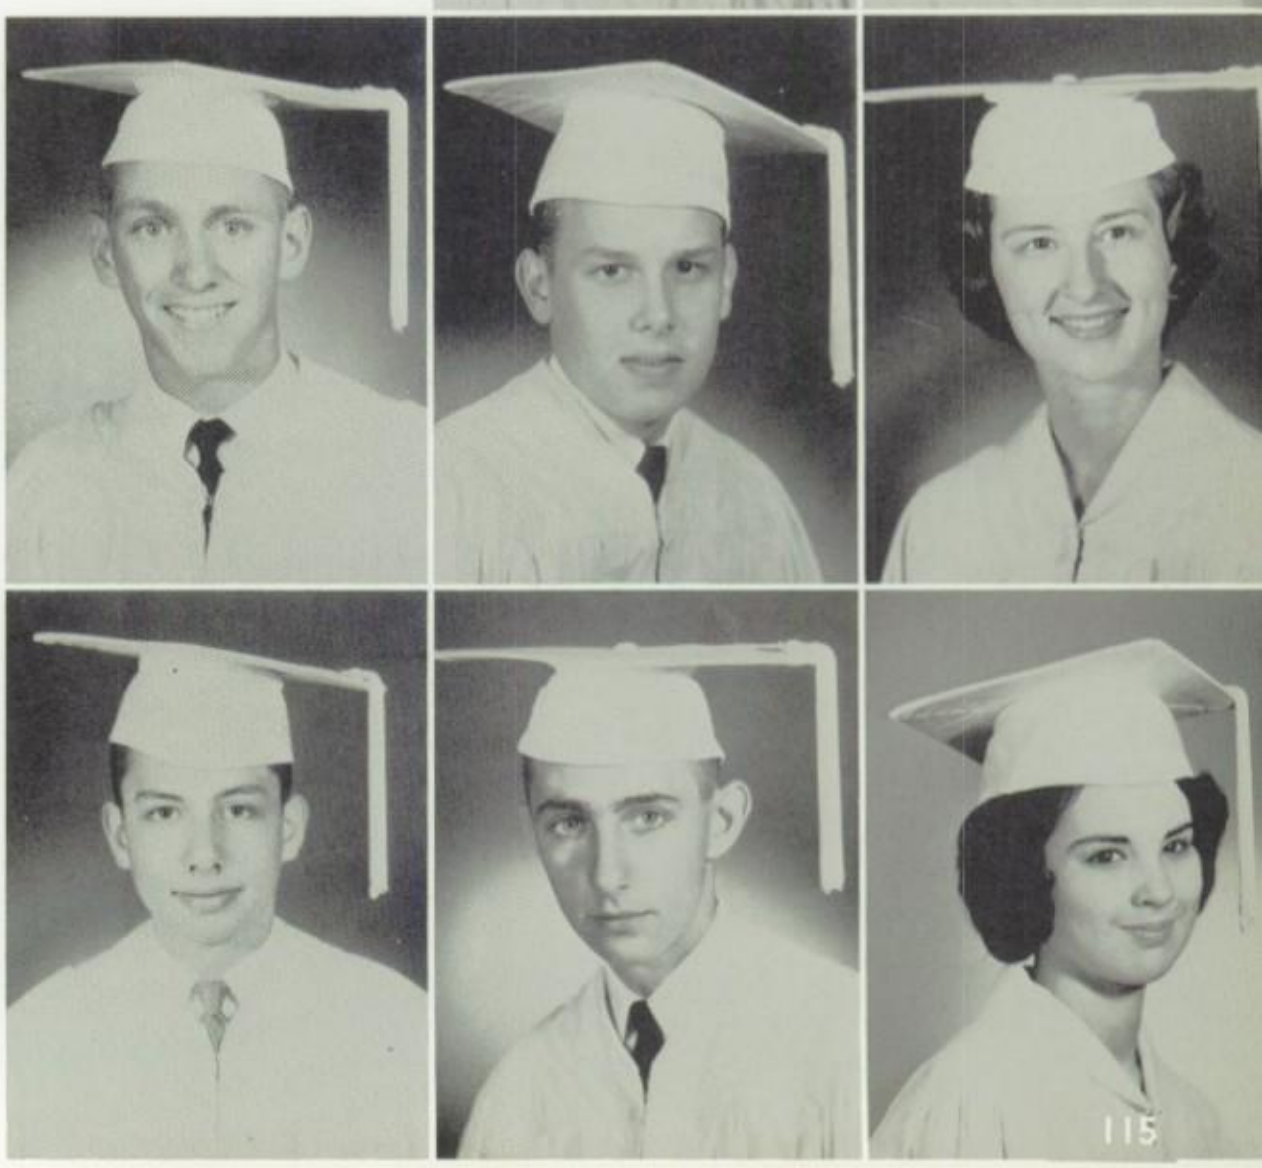
Kaye Flory





As the short days of WINTER settle around us, and the excitement of autumn settles down, there is a new interest in BOOKS, as we dig a little deeper into the world of KNOWLEDGE.

With the close of the football season, we walk eagerly from the field onto the BASKETBALL courts, and set our sights on the district championship.

OUTSIDE the classroom, we greet with wonder the many beautiful scenes left by the North Wind and Mr. Jack Frost, who are strangers to our southern ways, but add to the beauty of a

Basketball '64

A shrieking whistle blew; a boisterous crowd and a last second field goal are all enjoyable parts of our school year during basketball season. As the *Fricassee* goes to press the Bulldogs' record stands at ten wins, thirteen losses, but this by no means tells the whole story. Of the twelve defeats the Bulldogs have lost by more than 5 points in only 3 of those games. As the teams battle down to the wire we may be behind, but we do know that the Bulldogs should never be counted out.

MANAGERS: left to right—Bobby Dawson, ??, Carl Schmulen, Mike Johnston.

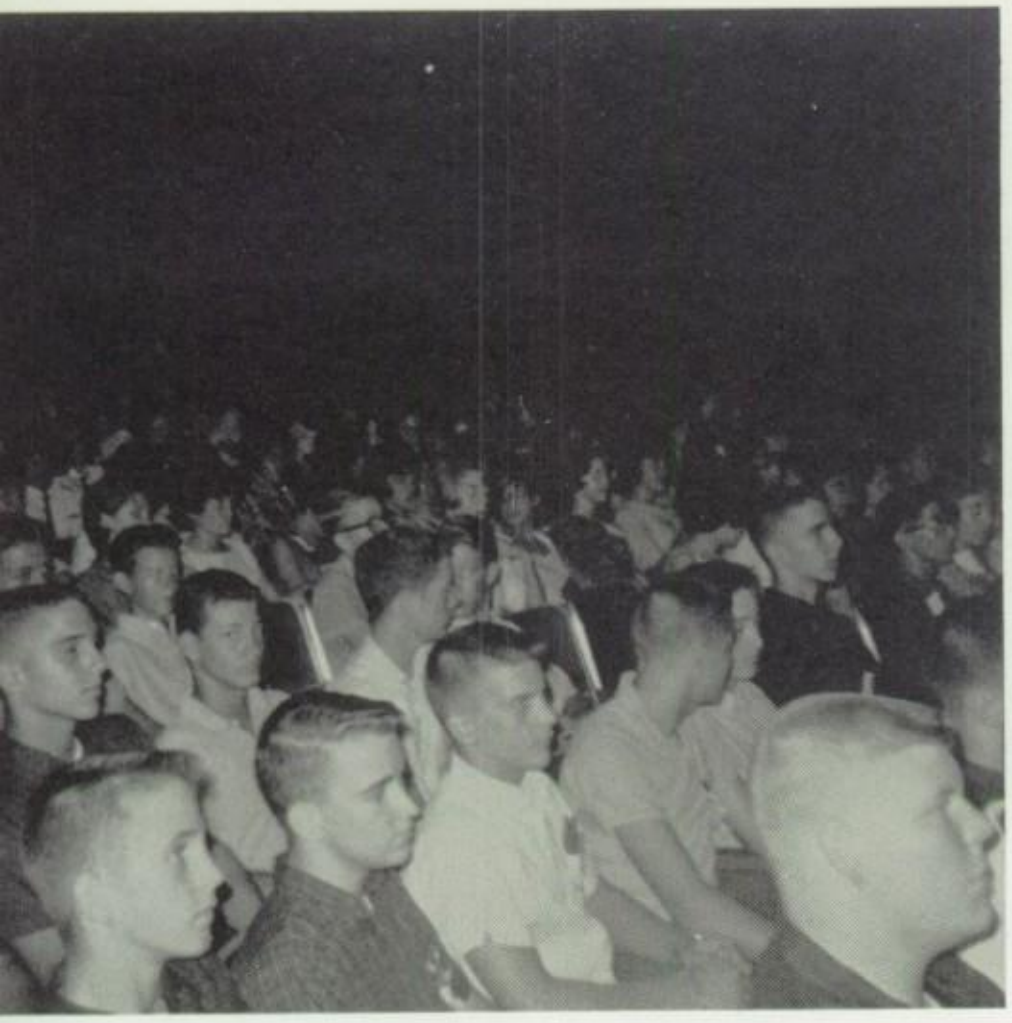
ROWLAND JONES



This school year of '63-'64 brought with it many new faces. On Bullpup Day, the Sophomores came to school to get acquainted with their schedules. As the days went by, they seemed to get bolder. This year a sophomore was selected to attend the FBLA spelling contest. Many of them worked in the guidance office and library. Many took part in various organizations. There were several talented people in the Thespian plays. The members of this year's class at Baton Rouge High have proven to the upperclassmen that they can and will do their best to represent BRHS to the best of their ability.

A Cappella

The Baton Rouge High School A Cappella Choir has toured over 5,000 miles and eleven states in the last three years. This Choir has been chosen to represent the state of Louisiana at the Cherry Blossom Festival in Washington, D. C. and at the Battlefield of Chickamauga, Georgia. It is composed of sixty selected singers and was organized in 1959. The choir performs many times each year at local functions and has given a concert in the United States Capitol. It has made a superior at every music festival it has ever entered.

MR. MARION P. (RABBIT) DELAVILLE

Mr. Marion P. Delaville, better known as "Mr. Rabbit" to us all is retiring at the end of this year. He has been taking care of the operations and maintenance of our school ever since the school was built in 1928. He has worked many long hours during school, after school, and even at night. It is he who has taken care of our comfort while we were at school, during sports events, and also of the comfort of our guests during night programs. He can relate many an interesting incident that has taken place during those many many programs.

His pleasant smile and cheery hello for everyone will be greatly missed when Mr. Rabbit is gone. We wish for him many happy hours at home doing the things he loves to do—gardening, watching TV, etc., and also we wish him a long, full, happy life away from the cares and woes of his job.

To my closest pal at B.R.H.S. - "ONE TOP HAND"

Kitty,

Well, now you know how I felt when your sister graduated last year. I'm so-o-o glad we three musketeers (you, me and Jo) have been friends for so long. I'll never forget the ALA days or Counselettes. They were the best. You have been a swell Spinsterette member & I wish you juniors all the luck with the club next year. Don't forget me while I'm away at school-'cause I'll think of your wonderful family often. Have a great senior year - BUT I love

Mu Sigma is an honor-service organization. All students who maintain an average of B or better for five consecutive semesters since entering the 9th grade are invited to become members.

THE MEMBERS

Mu Alpha Theta

Mu Alpha Theta is a national mathematics honor club for high school students. To be eligible for membership a student must have maintained a B for five semesters of mathematics, and be enrolled in a 6th semester of college preparatory mathematics. Sophomores who meet the grade requirement but have had only 3 semesters of the required mathematics are invited to become associate members. The purpose is to offer to those interested an opportunity to enjoy studying together problems and applications of mathematics.

The Future Homemakers of America is composed of students taking home economics. The BRHS Chapter is a part of the nationally recognized organization which works to improve personal, family, and community living now and in the future. To emphasize specific parts of this overall goal, Future Homemakers have eight purposes: to promote a growing appreciation of the joys and satisfactions of homemaking, to emphasize the importance of worthy home and community life, to work for good home and family life for all, to promote international good will, to foster the development of creative leadership, to provide wholesome individual and group recreation, and to further interest in home economics.

Art

The Art Club is open to Juniors and Seniors taking art. The purposes of the club are to promote all art activities in the school, to organize extracurricular activities for art students, and to bring speakers and exhibits to the school on the subject of art. It sponsors the annual exhibit of the art department and an annual trip to an art center in Louisiana.

Writers' Club

One fall afternoon in 1961 two friends who had a habit of dropping by their English teacher's room at three to leave their poems came panting in from Ph. Ed. They wanted to form a writer's club. The teacher was reluctant, but one of them, Jan Kohler, kept talking about it, especially after she won a local poetry contest. Finally the club held its first meeting after school on March 9, 1961.

Kitty,
It is hard to express how much I have enjoyed being friends with you. You have a wonderful personality and mind that will always find you friends. And if you don't stop complaining about how you have failed a test etc. I will ~~stop~~ clobber you. I enjoy talking to you and I enjoy your sense of humor. I hope we will always remain friends (and we must go to the "drive-in" more often). Long live the Junior Archeology Society!! Love ya,
Donna Daniel

Kitty,
It's really been great having English with you. We've had a lot of fun in spite of everything. You're a wonderful girl, Kitty, don't ever change. Stay as you are and you'll go far in life. Lots of luck in everything.
Love,
Elf

Lunch has been fun this year. Thanks for helping me so much in study hall. At times I couldn't have made it without you in front or behind me although K.C. did her best to break it up
Johnny Hodge

Dear Kitty,
I'm not much on writing in annuals so I shan't take much space - just thanks for being a friend, a person - for you in Michael's honor English. Good Luck.
Love
Chris

Kitty,
It's really been wonderful setting behind you in English this year. Also I ~~had~~ fun teasing you about Mark. I've gotten a great deck out of the way you talk. I'll never believe you were born in Baton Rouge. Good luck in your Sr. year.
George Bevan

Kitty,
It's been real enriching just to have classes with you. It seems like you know so much about everything. And yet you still have time to express your own opinions and have your charming personality. You can always make a joke about the hardest test. Thanks for all the help you've given me in physics. Stay as cool and good-looking as you are. I hope someday we can be better friends. Good luck next year and this summer. You and Mark have fun.
Love,
Anita G.

Autographs

Kitty,

I really don't know what to say. Since we were first thrown together in the seventh grade we have ©?¢!**@ **¼. Oh well I've enjoyed every moment of it.

Remember art, English, and Physics? And that trip to Dallas? And I'll never forgive you for your aptitude in _____ mathematics.

Red Cross has been great too. Even though you're up to your neck in Art Club next year you'll just have to help us again too.

It has never been dull. You're always either deciding yourself or eftoling some foreign boyfriend.

I'm not going to cry all over the page because next year will be the best yet. Good luck and have a rocking summer.

Love always,
Clint

Kitty,
Well, I'm gonna spend some time for a long, long time now, but it seems like its only been a very short while. Seems like only yesterday we were riding Monday and counting and studying for tests in our Huling 6th grade room. Really, we have a lot of good times to remember don't we? Like when you spent the night and we took a little "hike" to the Comanche Lodge to meet P. and P.!!! How could you ever forget all the afternoons we went to P's house!!
We had some good times in Covington, too. Well, Goodwood was a long time ago, but I'll never forget it.
I'm really glad you've been my friend for so long. You're in a friendship & really value and I always will.
Next year we'll have to be in the same carpool again, ok? Study hard always and keep up your good grades.
Be good and stay sweet always. Love ya lots,
Nikki

Autographs

I'm glad you took over the job of Sec.; we wouldn't have made it without you, but we could have " " " your sarcasm.
Best of luck. Love, Jan Jaye

Kitty,

English III is almost over as is another year. It was a lot of fun having this class with you and I hope to see you again next year.

Best of luck to you always.

Love ya
John

Kitty,
Well, this is the end of the year. I've enjoyed having you in class. I'll have a lot of memories of you and I will be thinking of you during the summer. Have a great time lighting firecrackers on the 4th. Don't forget to buy that ticket for the Thruway day after school is out. Have a lot of fun and be careful. Don't get hurt. Stay cool.
See you next year -
Anna

Kitty,
I really enjoyed having art with you this past year. I want to wish you the best of luck in everything.
Love,
Bill Slaughter

Kitty,

It's hard to just write a page on the past two years of your life. I can't begin to tell you how much your friendship has meant to me, and how much it still does.

We have shared so many memories it is hard to remember all of them. New Orleans, Ray, The Village Alton Thompson, Covington the Cove, ~~—~~ but most of all a small green house on a river road in a little town 60 miles from here. These are just a few of the many memories that are so dear to me.

Kitty don't ever change any of your ways. It's true we have had our differences at times but they'll always work out for the best. Let's continue our friendship forever. You're great & I love ya—

Elaine

P.S. I never will forget my second parents

Kitty,

We have been in school, and especilly art class, a long time. You are really, and I sincerely mean it, one of the best people I know. I admire your ability to make As on your report card and your abilily to make friends. Your artistic abilities are almost as great as your scolastic talents. Keep up your good works. Best wishes for success and happiness in the future.

I hope I will always be able to count you among my friends. May God bless you.

Always,

Kathryn, child,
It has been so much fun at B.R.H.S. this year that I feels as if I has known you all my life. It will be sorrowfully when we part and I go on to Southern. Best of luck always. Your friend,
A. Martinez
